## **Discussion**

### ***Recap/Ongoing***

5K - There was a great turn out. Meghan would like to do it again next year and make it bigger each year. She said that there were a few things that she learned from this year that could be improved on for next year but everyone had a lot of fun. It was great to have an event that focused on exercise.

### **Overlook Night Out**

It was expensive to rent the skating rink so we wound up at a loss for the event, but it was a fun event and well attended.

## Square 1

Jen Slotter went over the fundraiser. 1% more students participated over the last year we did this. We don't have finalized numbers yet.

## Upcoming

5/6/2019 – 5/10/2019 – Spring Teacher Appreciation Lunches - There will be lunch on Monday from Lee's Hoagie House. This was well received from the teachers last year. On another morning of the week last year, we used Abington Bagel for donuts, coffee and juice but that store has since closed. Heather Chong, the chairperson for this event, will look into a different place for breakfast another morning that week and then another day for dessert. It was decided that breakfast would be on Wednesday and then desserts on Friday to spread things out over the course of the week. Meghan Biko said that Manhattan Bagel donated 5 dozen bagels for the 5k and they were very generous. Meghan is going to provide Heather with the contact information.

- 5/22 – Title 1 Students
